TRANSFORM THE TROLL!

Make Prince Michael the Troll into:

A pirate - Give him an eye-patch and a cutlass and a pirate flag, and a merry-yo-ho-ho sash tied around his middle. Then fill his basket with piratey things.

If you don't like pirates, choose something else. He could be:

A knight OR **An astronaut** OR **A cook**

Make sure you dress him right and give him all the things he'll need.
